To Celebrate our 20th year in business Welsh Hot Tubs have teamed up with a US manufacturer to introduce a range of hot tubs that combine the beauty of natural cedar wood with the practicality and comfort of a moulded permashell™ liner. We have added some fantastic features including internal and external LED lighting and upgraded insulation. We also offer the option of simple controls, fast drain down and in-line dosing making it an ideal choice for the holiday market.

A Word from our Customers.....

★★★★★ *"Superb service, from original enquiry through to installation. They answered all our questions and held our hands through choosing the hot tub that was right for us. Lovely team came to install, nothing was too much trouble. Other hot tubs may seem cheaper, but beware - you get what you pay for and everything is included in the Welsh Hot Tubs price. Highly recommended."*

★★★★★ *"Quality service! Hot tub "Marquis" ordered, installed and working perfectly within six days of purchase! Thanks for the professional advice on siting the hot tub (concrete base advised and work done within 4 days on recommendation from WHT, Thanks Emyr!) and thanks WHT team !! Strongly recommend Welsh Hot Tubs !!
Dennis & Kathy"*

★★★★★ *" Would 100% recommend Welsh Hot tubs, Excellent with advice on which suited our needs , installation plus the aftercare service is fantastic with advice from Heather and all in the office .highly recommend them."*

★★★★★ *"Amazing company, couldn't be more helpful from the first email to installing the hot tub. Everything was done when they said it would be. Delivery team needed to move things to get tub in place and they put everything back when finished. Explained how to use it very easily and answered all my questions with confidence. The office team were just as helpful whenever I needed to ask questions. The follow up has also been exceptional."*

★★★★★ *" Thank you for the install of our hot tub , very professional and friendly engineers, who guided us through the whole process of setting up and maintaining the hot tub."*

WERE JUST SQUIRRELLING AWAY AT THIS AMAZING TREEHOUSE

This was one of our most challenging installations of last year, but we think you will agree that it was worth the effort! Nestling in a treehouse in the gorgeous countryside of mid wales is the Marquis Spa Holiday Renew in Midnight canyon with barnwood skirt installed at the fabulous Squirrels nest holiday accommodation in Llandrindod Wells.

HOT TUB HEAVEN ...

A stunning installation in Machynlleth of one of our favourite hot tubs - the American Whirlpool 471. The ultimate doctor designed with zone therapy jets. Northern exposure insulation. Steel structure with lifetime warranty and ABS sealed base. Performance seating designed by the designers of the Corvette interior, Mazda RX7 and F16 fighter plane seat. Wifi connectivity, bluetooth music.

Bubble your troubles away it doesn't get much better than this.

AWARDS AND ACHIEVEMENTS

WHT PICK UP MORE AWARDS FROM MARQUIS & AMERICAN WHIRLPOOL

2018 was another productive and exciting year for us - picking up a Gold Level Award with Marquis for our hot tub sales in 2018 and another from American Whirlpool for the highest percentage of swim spa sales in 2018. Were looking forward to 2019!!

SPA O-CARE

Spa O-Care is a weekly spa water treatment that can reduce the amount of chlorine or bromine used by up to 78%. It works by preventing and removing the build up of bio-film keeping your spa naturally cleaner. The mixture of high quality mineral salts also leave your skin feeling soft and odourless.

HAVE YOU BOOKED YOUR SERVICE YET?
